

Materialize Enterprise Free Trial Development Terms

By clicking “**Submit**”, you are agreeing to the Materialize Self-Managed Terms and Conditions available at <https://materialize.com/self-managed-terms-and-conditions/> (the “**Materialize Terms and Conditions**”), and the additional Materialize Enterprise Free Trial Development Terms set forth herein. Capitalized terms used herein and not otherwise herein defined are used as defined in the Materialize Terms and Conditions.

These terms shall commence on the day you receive a license key to access the Software (the “**License Key**”, the date of receipt of the License Key, the “**Access Start Date**”, and such notification, the “**Activation Notice**”) and, if not terminated earlier in accordance with the Materialize Terms and Conditions, shall continue for the time period set forth in the Activation Notice (the “**Trial Term**”). You acknowledge and agree that the License Key shall be considered Materialize's Confidential Information in accordance with the Materialize Terms and Conditions.

Your use of the Software shall be in accordance with these Materialize Enterprise Free Trial Development Terms, and solely for internal, non-production development purposes. For avoidance of doubt, these Materialize Enterprise Free Trial Development Terms do not grant any license for production use to the Customer. The Software and foregoing limitations are the License Limitations (as defined in the Materialize Terms and Conditions).

If at any time during the Trial Term Customer uses or desires to use the Software for any non-development use (collectively, “**Increased Usage**”), Customer shall notify Materialize in a timely manner and both Parties, in good faith, will reconcile purchasing additional licenses at that time. Notwithstanding anything to the contrary herein or in the Materialize Terms and Conditions, Materialize reserves the right in its sole discretion to: (a) grant, or not grant, a Materialize Enterprise Free Trial Development License or enterprise license to the Software; and (b) limit the number of Materialize Enterprise Free Trial Development Licenses to the Software for each Customer.
